

Dear: _____

A GIFT OF:

\$ _____

has been donated in your honor to benefit Gracehaven, a safe home of hope and healing for girls who have been victims of human trafficking in Central Ohio. We estimate that between 325,000 to 421,000 youth in the U.S. are either actively enslaved in sex trafficking or are at high risk of becoming involved. Your gift will directly impact our ability to open and run a shelter to help those children right here in Central Ohio. Thank you for being a modern-day abolitionist.
